### Taunton Vale HC Code of Conduct

**Taunton Vale HC Code of Conduct** is the minimum standards of behaviour and conduct expected of all club members (playing, social or volunteers), junior parents, supporters and coach and as such is a condition of membership.

Members, parents and supporters who are unable to adhere to this code of conduct, could find their, or their child's, membership is terminated without a refund of fees.

As a member/supporter:

- Take pride in being part of Taunton Vale HC and of the Hockey community.
- Respect that we are all here for the enjoyment of hockey.
- Promote the reputation of the sport and the club and take all possible steps to prevent them from being brought into disrepute.
- Understand that winning is important, but teamwork and good sportsmanship is a vital part of achieving the win.
- Protect others involved in the sport from verbal or physical abuse and threatening or intimidating behaviour.
- Respect the decisions of the Sports Club management and Hockey Club committee.
- Remember, 'the club' is a collective of all of its members, meaning 'we' are the club, and the club's existence is based on what you and all other members put into it, on AND off the pitch.
- Consider giving time as a committee member, coach, umpire or volunteer. Volunteers are the lifeblood of our entire organisation, don't just step back and expect things to happen. If something isn't getting done, it's either because someone hasn't thought about it, someone doesn't have the time to do it, or nobody is volunteering to do it.
- Take care of the clubs facilities. Volunteers have put in a lot of time and effort to make sure we have some of the best club owned hockey facilities in the country. Pick up litter if you see it, and report any problems to Sports Club staff.

As a player:

- Compete for enjoyment
- Accept success and failure, victory and defeat, with dignity
- Strive to do your best
- Show team spirit and good sportsmanship
- Set a positive example for others, particularly younger members and spectators.
- Play within the rules of the game
- Behave in a manner that takes reasonable measures to protect your own safety and safety of others
- Respect teammates and opponents.
- Respect officials and their decisions\*
- Be aware of what is expected of you by the **West Leagues Umpires**

- Arrive for a fixture by the agreed time. Inform your captain if you're going to be late.
- Shake hands with opponents and officials at the end of a fixture (whether league or friendly), and make sure when you are the host team, that the opposition are the first to be seated and served match teas.
