

Dart Hockey Club

Welcome

We are delighted you have chosen to come along to the Dart Hockey Club and trust this gives you some useful information about us.

Dart is a mixed community club with around 150 members. We have been based in Totnes for many years and run 3 Ladies teams, 2 Mens teams and several Junior teams, boys and girls for Under 10's, Under 12's, Under 14's and Under 16's. We welcome players of all abilities, we also run Back to Hockey Sessions for adults who may either be picking up a hockey stick for the first time or returning to the game after a number of years.

What is the Ethos of the Club?

Dart HC aims to encourage the inclusion of all, regardless of age, ability, gender, race or location, in all aspects of our sports club. Our focus is the creation of a warm and friendly atmosphere within which each individual can flourish and develop. A key aspect is the commitment to ensuring that the welfare of all members is given priority and their contributions valued in every format, including physically, socially, technically and intellectually.

We strive to offer the opportunity for men, women and children from a large catchment area to play hockey at a variety of competitive team levels and to facilitate the improvement of each individual's skills base in order that they reach their full potential. We actively promote fairplay and decency, both on and off the hockey pitch.
