

ASA Open Meet Licensing Criteria

Effective 1st March, 2015

“Every Swimmer must have the opportunity to swim in appropriate, quality competition to enable them to achieve their true potential”

This is the mission statement that supports the purpose of Meet Licensing and these Criteria have been developed to provide clubs and competition providers with common ground rules for the conduct and delivery of such competition. All Licensed meets shall be subject to ASA Laws and Regulations and ASA Technical Rules of Racing, and to these Criteria.

Open Meet Levels

Level 1

Meets at this level include long course National, Regional and County Championships.

Purpose: To enable athletes to achieve qualifying times suitable for entry into National, Regional and County Championships.

Criteria for all Licensed Meets

1. Health and Safety is paramount. A risk assessment must be carried out.
2. The minimum length of a pool used is 25 metres. The depth of the water at the starting end must be in accordance with ASA guidelines and the Pool Operator's Standard Operating Procedures.
3. Adequate provision must be made for swimmers to warm-up. In the case of Level 1 or 2 Meets, if facilities exist for swim-down within the venue, they must be made available.
4. Sufficient poolside accreditation must be available for clubs to maintain adequate supervision of their athletes.
5. "First come-first served" entry acceptance is available at levels 3 or 4 only.
6. No session of competition shall be longer than 3 hours without a scheduled break in the programme of events. A maximum of 7.5 hours swimming shall be programmed in any one day.
7. Results must be processed using meet management software capable of automated input into British Swimming Rankings. Results to be submitted within 5 working days of completion of the competition
8. A Licence is issued by the Regional Licensing Officer (RLO) of the Region to which the organizing club is Affiliated, subject to submission of a valid application form.
9. Reports and returns to be sent to the RLO, including payment of fees, within 14 days of the competition.
10. A detailed report to be submitted to the RLO by the Referee upon completion of the competition.
11. The RLO may lay down sanctions to be taken in the event of non-compliance with the criteria.

Points to Note:

1. Meets at any level can take part at any time of year with the exception of specified "protected" dates when meets of certain levels may not be permitted in certain geographical areas.
2. County Championships are scheduled to take place in January and February. A club may hold a competition within the County Period, but may not accept entries from clubs in the same or any adjacent County if that County Association is holding a corresponding event on that day.
3. Regional Championships are scheduled to take place in April and May. No Level 1 or Level 2 meet will be licensed in a Region on the same date as the Regional Championships of that Region.
4. No League events other than the Arena League National Final are to be Licensed until suitable software and procedures are agreed to guarantee the quality of swimmer data and identity.
5. The attention of Regions and Counties is drawn to the "Swimming Pathway Implementation" document, with regard to essential and desirable elements for inclusion.

Application:

1. Applications for a meet licence must be made on the standard form.
2. Applications must be received by the Regional Licensing Officer at least 2 months before the date of the meet together with all the information requested on the application form. Apply at least 3 months ahead of any proposed advert in Swimming Times.
3. Applications will not be forwarded to the National Licensing Office until complete information is available.
4. The proposed date of the competition must comply with the National Licensed Meet Calendar plan.
5. The meet information must indicate clearly the level of swimmer that the meet is intended for by reference to the licensing level.
6. Counties and Regions must complete the application process and supply the relevant information. They do not have to pay any levy for their Annual Championships providing they are held within the allocated period.
7. The National Swimming League Final, BUCS Long & Short Course Championships, Inter County Competitions and the ESSA National Individual Championships must make application to be licensed to the National Licensing Panel. They do not have to pay any levy.
8. The Regional Licensing Officer may request applicants to vary their application to give a better provision of swimming in a particular area.
9. All licence applications require approval by the National Licensing Office following recommendation of the Regional Officer.
10. Applicants should note that a Licence Number is required by "Swimming Times" magazine before any advertisement, containing reference to the meet being licensed, can be published.
