NTU Sport

Nova Centurion Swimming Partnership

NTU boasts an official partnership with NOVA Centurion Swimming Club, the competitive outlet of the Nottinghamshire County Swim Squad. NOVA Centurion is run by Notts ASA, one of the most successful squads in the country. They have won the Great Britain Club Team Championships, and been the top team at both the National Senior, Youth and Age Group Championships on numerous occasions.

Regularly, our swimmers have enjoyed success with national teams with notable wins including the two Olympic Gold medals and two Olympic Bronze medals won by Rebecca Adlington in Beijing and London. There has also been Paralympic success for Sam Hynd in Beijing, and both Ollie Hynd and Charlotte Henshaw in London and Rio de Janeiro.

As part of the partnership, you will benefit from world class coaching, facilities and support. There is also a squad for swimmers with disability which operates in the Nottingham area, again with qualified coaches.

Nathan Hilton – Director of Coaching, NOVA Centurion

Nathan is an ASA Level 4 Coach, and he leads the coaching programme at NOVA Centurion. He is currently one of the British Swimming coaches in the lead up to Tokyo 2020, having previously worked at European Junior Championships (Helsinki 2010, Poznan 2013), Youth Olympic Games (Singapore 2010, Nanjing 2014), World Youth Championships (Peru 2011) and the FINA Open Water World Cup (Argentina 2014).

For more information, please contact Nathan on:
