### **Volunteers are the life blood of sport –**

Wick Ladies are looking for volunteers to help run our Club. From helping out at matches or being part of the committee you will make a valued contribution to our club.

Having fun, meeting new people, learning new skills, adding something to your CV and being part of a Club - these are just some of the benefits of volunteering.

From your initial enquire you will be ask to complete an application form and be informally interviewed by some of the committee members. Once accepted you will be required to be DBS checked. Once all the formal stuff has been completed Wick Ladies will be delighted to have you on board!
