## Transporting Children Policy

- ④ MDCC will not take any responsibility for transporting children or arranging transport to and from junior training or matches
- ④ **Parents / guardians are responsible for the safe delivery and collection of their child for all matches or training**
- ④ MDCC coaches will be responsible for children in their care when on the club premises or on arrival at opponents' cricket ground. A clear 'meet up' point will be highlighted to parents when playing at opposition grounds
- ④ MDCC coaches will always have an emergency contact to hand for all players present at the sessions or matches. If, for whatever reason, the emergency contact for your child changes, for example a parent is out of the country, it is the parent/guardian's responsibility to inform the child's age group specific coach
