Whistle-blowing can be used as an early warning system or when it's recognised that appropriate actions have not been taken. It is about revealing and raising concerns over misconduct or malpractice within an organisation or within an independent structure associated with it.

Any adult or young person with concerns about a colleague can also use whistle-blowing by contacting the FA's safeguarding team on **0800 169 1863** Extension **6300** or **6400** or via email on safeguarding@TheFA.com. Alternatively you can go direct to the Police or Children's Social Care and report your concerns there.
