

CORNWALL HOCKEY UMPIRES ASSOCIATION

Umpiring Members Contact List Statement

CHUA Umpiring members contact lists will be provided within the following guidance.

For Umpiring members' details to be made available to other club members (in any format) the specific consent from each member will be needed.

Umpiring members will be asked to 'opt-in' to what details are circulated and will allow members the option of not having any details circulated. It is a condition of membership that details do not have to be shared.

Umpiring members will need to re-ascertain consent on a yearly basis.

On withdrawal of a member then their data will be withdrawn.

Umpiring members can only use the data for CHUA related communication. They cannot pass it onto anyone else.

Umpiring members' data will only be held whilst umpires remain both active and 'opt in', thus old lists will be deleted once new ones are updated.
