2018 CVLs GET OFF TO A FLYING BUT COLD START

Congratulations to our U8, U10 & U12 sides that braved the windy and cold weather on Sunday 30th September to play matches against Stone, Shrewsbury, Wolverhampton and Stretton. There were victories and goals aplenty and it was particularly pleasing to see some of our new recruits playing so well after just three or four training sessions.

Particular thanks must go to Raj for organising the teams; to Marcos, Lucas, Josh and Anjali for umpiring duties; to Sahib and Noah for some ad hoc manager duties and of course to Anita for the constant supply of hot drinks.
