Reflections on the Ladies Indoor Season

Unbridled Success

By Fiona Plain

The ladies 1s have enjoyed an extremely successful season, winning both National League and European playoffs. From the beginning of the season we set out with the mentality that we were going to play our game, using our good pace and skill upfront along with invaluable experience and passing from the back.

We played and won fourteen matches over six weekends in National League and finished with a very impressive goal difference of 104. We have been very fortunate this year to have a squad of players all capable of stepping on the court and doing a good job. Our youngsters in particular have shown some excellent skill and have improved every week, making them invaluable members of our team and they should be congratulated on an excellent season.

After winning the league it was important for us to maintain our unbeaten record through the European play offs. With an early start for our semi final against a Western side with a point to prove it appeared we had not fully woken up and made life extremely difficult for ourselves. The match ended 3-3 after what was probably one of our poorest performances of the season, taking us into tense sudden death penalties. Thankfully we came out the victors, advancing on to the afternoon final against Grove.

After a poor performance in the morning it was important for us to redeem ourselves and prove why we are league champions. We started the game hard, pressing the Grove defence and playing to our normal game plan that had worked so well throughout the season. We kept our composure and came out 4-1 winners. Wanderers are going to Europe!!

This has been an amazing season for the ladies 1s and one of the most enjoyable ones too. We never put ourselves under pressure, but at the same time always strived to improve upon our last performance. I am sure I also speak for the whole squad when I say that our success would not have been possible without the support of family and friends who tirelessly sat by the court cheering us on and to them we say thank you!
