Number of times each club hosts is determined by number of age group competitions entered: 5 comps (3 hosts), 4 comps (2), 3 comps (2), 2 comp (1) 1 comp (1). **Please try to keep to this rota as much as possible. If a club is unable to host on a particular day it is the responsibility of that club to find a substitute from the participating clubs.** This can mean swapping duties with that club who may be hosting later in the year.

As far as possible no manager should have to host twice.

There are no hosts for the U10 comps which will take place on the Under 15 dates hence the space. As no results are recorded here it is just a case of the managers getting together prior to starting to decide who central times etc.
