EnGage – England Netball Affiliation

We know most of our members have now been able to log in and have paid their affiliation fee on the new EnGage system but for anyone still having difficulties remember we will be at training this week to help you. It is essential you affiliate before the end of August as you are not able to play matches without being affiliated.

Plymstock Netball Club Membership

We now only have a small number of memberships outstanding – please remember to log on to our website and either confirm or update your details. This will re-register with you with us until July 2020 and is applicable to all our players including Nippy Netters.

Club membership fees are due BEFORE the 4th September 2019 (excluding Nippy Netters). The amount is £55 and this is payable into our account 09-01-28 84963487, please ensure you put the players name as the reference.

Lastly just a reminder that junior pre-season training starts again this Wednesday and seniors on Thursday - £3pp for 2 weeks (no High5s until 7th September 2019).
