

## **KHC AGM 2020**

Dear Club Members,

Thank you all for your votes. I am very pleased to say that the proposal to postpone the 2020 AGM beyond the 31st May has been carried unanimously.

As soon as it is practical, the committee will be able to convene and set a date for the AGM to which you will all be cordially invited. It will of course include our club awards for 2019 and an opportunity to celebrate the season that we didn't quite get to finish off.

If, as seems highly likely at the moment, it is going to be close to the beginning of our new season then we may well be able to go straight into celebrating the start of a brand new 2021 season.

Stay safe and healthy

Yours gratefully
