

636 Winding Paths Challenge

As noted in a flyer a few months back I talked about a group of us that had taken on the Winding paths Challenge to virtually cover the 636 mile path around the edge of Cornwall.

Well we are 1 month in now and I thought it would be good to give you an update on how well everyone is doing. As on 01-07-2020 the completed miles are as follows.

	June	Target	Remaining
Paul Spooner	157.8	636	478.2
Chris James	195.2	636	440.8
Beth Pirie	136.5	636	499.5
Helen Boiling	134.6	636	501.4
Peter Burns	83	636	553
Nicola Stott	151.2	636	484.8
Tom Stott	111.5	636	524.5
Shelly Butler	193.6	636	442.4
Andrew Wright	156.7	636	479.3
Jo Gilholm	175.2	636	460.8
Ali McNiff	116.7	636	519.3
Gary Heather	141.2	636	494.8
Kate Parks	96.1	636	539.9
Ian Stott	121.7	636	514.3

As you can see an amazing effort by everyone who is taking part with some fantastic numbers. However, we are some way behind the 1st placed runner by 01-07-2020 he had completed an impressive 565 miles and as I am writing this, he has now completed the full challenge in just over a month, a very impressive feat. So, congratulations to Rowland Sharp.

This is however for most of us a challenge and not a race and completing the 636 miles by 31-12-2020 will be a massive achievement. Keep up the good work all!

Teams of 4, each runner must complete a total of 6.55 miles. Teams will be announced the week prior once all the entries have been received.

Team members will be selected based on their average short handicap from last year.

You may run your legs wherever - around the garden, on a ship or even up Ben Nevis if you wish.

The winning Team will be the one that finishes 26.2 miles in the fastest time.

There will be prizes for the winning team (please committee ☺) plus spot prizes for the best efforts.

Fancy dress is to be worn for one of the legs, with Club vests/T-shirts for another of the legs.

£5 entry fee which will go straight to a charity (nominations welcome).
