This email contains information on ways to setup and pay your annual subscription. The ways to do this are listed overleaf.

# Paying annual subscriptions

Northampton Hockey Club uses a cashless payment system - GoCardless Direct Debit to collect membership and match fees.

This is the simplest way to pay for your subscriptions. Details on how to set this up are shown on the next few slides.

If there are any further questions on setting up payments of subscriptions then please contact:

This takes you through to the GoCardless setup screen.

If you are a parent/member and are paying for several members you only need to have one GoCardless account. However you will have to repeat the steps from page 6 for each NHC member to link it to your GoCardless account.

The screenshot shows a registration form for Northampton Hockey Club. At the top, it says 'Northampton Hockey Club' and 'up to £30.00 every month Northampton Hockey Club monthly account'. Below this is a section for 'Email address' with a text box containing 'Suzannemueller@vfbstuttgart.de'. There are two radio buttons: 'I don't have a GoCardless account' (selected) and 'I have a GoCardless account'. Below these are two text boxes for 'First name' (containing 'Bob') and 'Last name' (containing 'Mueller'), both of which are highlighted with red boxes. A checkbox 'I'm paying on behalf of an organisation' is below the names. Then there are two text boxes for 'Billing address line 1' (containing 'Gottlieb Daimler Stadion') and 'Billing address line 2' (containing 'Address line 2 (optional)'). At the bottom are two text boxes for 'Town or City' and 'Post code'. Red lines from the right-side text box point to the 'First name' and 'Last name' fields.

## You have set up a Direct Debit with Northampton Hockey Club using GoCardless

Northampton Hockey Club can now charge you up to £30.00 every month for Northampton Hockey Club monthly account.

We will notify you via email 3 days in advance each time you are charged.

Payments will be debited from your bank account \*\*\*\*8964 via Direct Debit, and will appear on your bank statement as [GOCARDLESS.COM](https://gocardless.com), ref: [NORTHAMPTONH-N5R33](#).

You can view more information about this Direct Debit by logging into [your GoCardless account](#).

If there is an issue with this Direct Debit please contact Northampton Hockey Club.

## Further points

- Once setup you will be debited the amount on your monthly statement up to a maximum amount of **£150 per month**, so don't worry Clubbuzz will only debit what is owed and not keep on indefinitely taking amounts from your bank account.
  - If you are a junior member (year 8 and below) then you will be set up to pay in 6 instalments of £15.
  - You may have noticed that compared to previous years we have increased the maximum amount that can be taken each month. This is so we can start collecting match fees via a cashless system.
- You will obviously be debited if you have any outstanding fees to pay, so if you owe nothing then you won't receive a statement on the 15<sup>th</sup> of the month.
- If you feel you have been charged for something that you shouldn't have been then you can challenge a statement. This will mean that no money will be debited from your account until the query has been resolved and all parties are happy. Please do this before cancelling a direct debit.
- If there are any further questions or comments on any of the registration process then please email:
