Exit Route

Guardians for U12-U8 groups leaving must wait in middle of the spectating area on Pitch 1 and in stands of Pitch 2 until players coming on have gone on pitch. Or leave prior to players arriving.

Guardians U12-U8 waiting to enter must wait at the top of Pitch 1 outside of the fence behind the goal until the route is clear to enter

Players bags should be left behind or to the side of the dug outs along the fence so players can exit the pitch as quickly as possible
