Academy Awards: Notes

Players may be nominated for **representative cricket** in Essex or Cambridgeshire if they are considered ready to perform at such a level. However, playing at this level relies on commitment as well as talent. If you feel you would like to be considered or if you feel you or your parents cannot make this commitment, please speak to your manager.

Highest batting average min. 5 innings/**Lowest bowling average** min. 10 overs. Because young players play so few matches we don't insist on 5 'completed' innings before they qualify with an average. This is not the case in senior cricket. Please note that a more accurate picture of performance can be gained the more overs bowled or the more innings batted. A low minimum has been chosen to involve as many players as possible in the statistics. Overall batting and bowling awards are made by managers in consultation with coaches and others. There are no definitive criteria.

Club caps awarded to any established Academy player taking 5 wickets in one match (including 5 stumpings and/or catches by a wicket keeper), scoring a century, playing at County level or being a first choice selection for the senior SWCC teams or village teams with whom SWCC have a formal arrangement. From 2009 **Club caps** will be awarded to girls for taking 3 wicket/catches, scoring 50 in a match and for County or adult selection.

Players' Player may be awarded on the basis of Player of the Match nominations over the course of a season or a vote amongst other squad members.

Academy records have been compiled since 2003. There may well be superior performances before that – just let us know.

The Alfred Adams Batting Award. Alfred Adams scored 279 not out by batting all day against Bishop's Stortford for SWCC on the Common on 11 July 1837. At the time it was the highest recorded individual score in the country.

Fiona Harris was the first woman to play competitively for SWCC in 2002. She still plays for SWCC when she can.

John Smith first played for SWCC in 1946 and retired in 1963 at the age of 35. He is the tallest of the team in many of the clubhouse photos of the 1950s and 60s. John passed away in 2009

Josh Bysouth was an u13 Academy player when he died in a car accident with his Grandfather in 2012

The Ron Muggeridge Academician of the Year is awarded to the academy player who has made the strongest commitment to his or her own development **and** to the work of the Academy and Club. It may be related to the "Clubman of the Year" award for each age group.

Steve Jones Spirit of Cricket Award (introduced 2019) to reflect the Laws of the Game and the values of Saffron Walden Cricket Club. Named after former Vice President and MCC member, Steve Jones. The Club wants to recognise Academy members who demonstrate the Spirit of Cricket in their behaviours, as well as those who help to win games. We were therefore very pleased to announce a new award in 2019: the Steve Jones Spirit of Cricket Award. This award recognises the Academy member, of any age, gender or ability, who is considered to have demonstrated best the behaviours of sportsmanship, respect, encouragement and responsibility.

Rajapack Awards Jack Petchey Awards were given for outstanding personal achievement 2006-2015. The club withdrew from the scheme in 2015 – it did not recognise youngsters under the age of 11 and the criteria for awards became unduly restrictive. It has been replaced with the **Rajapack Award Scheme** sponsored by Rajapack (www.rajapack.co.uk). The club will receive £100 for every century, 3 catches and 5 wickets in a single match in senior cricket from u16 upwards. We will also receive £100 for every 50 and 5fer and 3 catches in junior T20 cricket and similarly £100 for every 30, 3 wickets and 2 catches in girls and Crocus cricket. In junior T20 matches played with a "retire after 30 runs" rule, then a Rajapack award goes to players getting 30 runs in each of two matches We currently do not issue individual medals or trophies, preferring to issue certificates. This maximises involvement and keeps costs low. However, sponsors for individual trophies shown on the previous page are always welcome.

WEDCB = West Essex District Cricket Board **CYCA** = Cambridgeshire Youth Cricket Association.

Review of the Season. 2021 was a very enjoyable season. We again exclusively played friendlies against other girls' sides, typically mixed age group 8 or 9 a side. Drawing from a small squad we took on some very strong teams from clubs with larger squads and had some excellent close games. The season opener against Hutton – a narrow loss and the win against Bishop's Stortford were the highlights. All the girls worked hard and improved in each discipline this year, thanks to support and coaching from Chris Scott. A few of the girls transitioned into the senior ladies team also which was great to see. Thanks to the parents for their help with scoring and matches including Andrew Phillips and Simon Short.

Review of Season:
A very brief season review for the inaugural Alastair Cook Trophy given that the pandemic unfortunately put paid to most of our involvement with just one of the scheduled three group games taking place.
However, that winner-takes-all final game against Bishop Stortford saw enough drama itself with a depleted side of only 10 players (mainly due to holidays and illness) line up against a very strong Stortford team full of county and division players. Losing the toss and being asked to bowl saw the boys reduce Stortford to 34 for 5 after a great opening spell from Ollie Sindell and Charlie Stock supported by great fielding, including a run out from Luca Frainer, two catches from George Riley and an absolute 'worldie' from Charlie Stock catching one high above his head on the boundary staring into the sun. However, a hard hitting Stortford middle order saw them post a decent 160+ which the Walden team would find difficult to chase down
Our reply never really got going - Jed Bailey top scoring with 23 - and we were left well short at the end but the boys will be rueing what might have been! A shame that we only got to play the one game but all the boys put in a great effort and I'm sure we would have gone further....if we could've played more games!
Note: With only one game played, no statistics have been provided. Please refer to age group statistics for u13 and 14

Review of Season:							
.A frustrating season in which a number of matches were abandoned due to the rain and we had no engagement with the West Essex league. However, a number of players laid down a marker for the future 2ith Ollie Sindell establishing himself with the senior 4 th XI. Teddy, Isaac and Jack performed well with the bat in the games we played as did Ollie, Alexi and Alfred with the bat. Fortunately we managed to beat the 12s who were also playing in our league although it took us to the last ball to achieve that! Thank you to Dan Rowlandson, Matt Langrish and Byron Sindell for their support.

<p>Review of season</p> <p>As the world went back to some kind of normality, Crocus Cricket was relaunched in the spring and the first sessions held, where a core group of 10 was quickly established. Crocus Cricket provides an opportunity for children (aged 6 to 16) with a range of abilities to access the world of cricket in an inclusive, safe and fun setting. The children who attended have a range of physical, learning and emotional needs and challenges, and the sessions aim to give them an opportunity to relax and be themselves, to join in and try as much or as little as they feel comfortable with, whilst building confidence via a variety of challenges. Every Thursday evening (up to the summer school holidays) volunteers and coaches took the kids through a range of games, introducing the key aspects of cricket - batting, catching and throwing. With each successive week it was clear that there was a momentum developing in terms of communication, improved skills and most of all a sense of fun and camaraderie. Watching the kids enjoy each small success was a joy to see. Team games, such as diamond cricket, have provided a great base for next year when we hope to be able to arrange games with other cricket clubs and groups. The highlight of the year was the season closing session when Zubayr Hamza and Chairman David Barrs joined to present certificates to all. Special mentions go to James and Noah for making great progress with their batting, Amelia and Rohen for a developing their ball handling skills, Henry and Luca for concentrating on their catching and throwing, Claudia and Charlotte for really getting stuck in with diamond cricket and lastly to Harvey for his kindness, leadership and inspiration (where all the other kids follow-on). Speaking to all the parents, coaches and those at the club who have helped get Crocus Cricket 2021 up and running, we have all been impressed by the progress all of the kids have made. It is a momentum that they will carry into next year. And on behalf of all the kids, roll on 2022!</p>

Review of season: This has been a great season for the u12 girls with many newcomers joining our Thursday evening training and plenty of opportunity for all to play in matches. We had an excellent turnout for the weekly training sessions and the girls made significant progress with their batting, bowling and fielding skills. A huge thank you to Kevin Duers and James Rowlandson for their enthusiastic and encouraging coaching. We had an u12 team entered in the u11 West Essex softball league and played four matches over the season against teams comprising predominantly boys (some matches were unfortunately lost to bad weather and low player availability for one team or the other). Our team ranged in age from u9 to u12 and many of the girls had never played a match before this season. They proved themselves to be fast learners and their match awareness and skills developed extremely well over the course of the summer. Kevin and James also introduced the older girls in the group to hardball cricket and this has been a huge success with the girls embracing the hardball game with great enthusiasm. We played a couple of friendly hardball matches against City of Cambridge girls (won one and narrowly lost the other) and also played a mixed match with the SWCC u11 boys which was played in excellent spirit and much enjoyed by all. Another huge thank you to James Rowlandson for umpiring almost all of our games. Strong foundations ready for an exciting season in 2022.

Magic moments	The best thing about the season was the number of girls who had the opportunity to play in their first ever match for the club. The excitement of being part of the team was a magic moment for many. It was a great summer of cricket but particular stand out moments were the girls first match (and win) against the Wendens boys in May, the two hard ball matches against City of Cambridge where the girls showed how much they have learnt and continue to learn about match play and the Woolpit softball tournament in which we had a particularly thrilling win over a very slick Thriplow side and every member of the team played their hearts out and made a significant contribution. Well done girls!

Review of Season: This year group continues to impress and in 2021 were run-away champions of the expanded U13 West Essex Junior Cricket league and also won the U13 CYCA premier league despite playing in the year group above. We dominated many matches by rapid early scoring from Xander Silverwood who reached the forced retirement score of 30+ runs seven times, usually within the first 5 overs. Several players reached the retirement score this season: Alexi Demetriou-Foale (6 times), Jonny Rumsby (5), Ethan Wright (5), Ciaran Harrison (3), Charlie Hoyle (1), and Ted Bowers (1). Bowling was shared with much improved bowling from James Razzell, Bertie Murphy, Jude Goodfellow, Fergus Liddle, and Ashley Loveday. Zachary Head continues to impress and Henry Porter took the most catches. The most remarkable match was a 1-run loss to the Saffron Walden U13s squad in a very tense and hard-fought game. It was another difficult year with variable weather and the ongoing pandemic with many players becoming unavailable at the last minute due to self-isolation rules. The statistics are for the league matches played in the U13 WEJCL and U13 CYCA Premier league.

Review of season

An outstanding season for our u11 team mainly playing our games in the CYCA League this season with West Essex mainly sticking to softball games.

With 8 wins out of 10 adding a tied game as well we were the well-deserved u11 CYCA league winners. The season was nicely capped with u10 players joining us in many of the games. This was also the first time we were joined by the u12 girls in games. Emily Rumsby and Ariana Wilson played brilliantly in our final game looking very much at home with the team.

This is a very strong group of players, if we can keep them together will be hard to beat in the coming years. There is also a real togetherness to support each other all over the field.

As a manager, I couldn't be prouder of the effort and improvement they are making and I wish them all well for the coming season.

Review of season We had a challenging start to the season since there was no manager to organise fixtures and the playing squad. Once a manager was in place and with help from Ray Mordini, Rob Thurston, David Barrs and many others at the club a number of friendly and competitive matches were arranged and played. Sadly we were not able to rearrange a number of cancelled league games. A number of players from the U9s were able to take advantage of opportunities of playing for the u10's and played admirably. The u10's won all their competitive games bar 1 very close game which was decided on the last ball. The performances of both the u9s who stepped up and u10s was very encouraging and bodes well next season with the aim of winning the u11 league. All the players showed great determination and spirit with Charlie Latham and Zach Galloway always encouraging others and notable bowling and batting performances from Umar.

The Under 9's had a successful year in their first competitive season in cricket winning five matches (4 wins vs Thriplow, Sawston, Royston and SWCC U10B's) and losing one against Wenden. The Under 9's finished equal top of their league with Wenden which is so impressive considering they were playing a year up!

The progress they have made in training sessions on Sunday mornings and in matches has been fantastic. Well done to all the boys and girls that took part; they are a promising group with plenty of potential. Many thanks to the volunteer coaches and parents who have helped score and manage games during the season.

Review of season: This season was all about re-introducing cricket after a COVID lockdown season in 2020. This was also a first introduction to competitive cricket for both players, coaches, and parents alike. The whole squad showed great commitment to the season with 21 players averaging 3 games each. The quality of the gameplay improved week on week and a good core friendship developed between all of them. Sportsmanship, catching, bowling, gameplay/tactics and general rule appreciation were the key learning points this year and all were achieved.

Magic moments	10 runs to win the match on the last over against Royston. Theo Fox to bowl, first 3 bowls gave away 3 runs needing 13 runs to win the match. Last 3 bowls of the game were 3 wickets and SWCC win the match by 2 runs. Player that was most struck by the ball was Arthur Palmer who go hit almost every game. Always got back up carried on for the team. A brave player who put body and soul into every match.

To make the Academy concept work as many adults as possible need to be involved at a level at which they feel comfortable. Such involvement does not necessarily require experience of cricket but it does require enjoyment of working in a team and with children. No harm in asking – here goes.

The 2022 season may seem a long way off, but we are already thinking about what will need doing and who will do it!

Volunteering with the cricket club can be an interesting and rewarding way to be involved in making our club the successful and inclusive organisation it is, particularly when helping with the development of young people. We have a number of vacancies on our books:

Academy manager/administrators: these roles do not require you to be a cricket expert. They are especially suitable for parents of children in the relevant years. The manager/administrator works with coaches and parents, organising matches, recording results, liaising with other clubs and so on.

- u8 manager/administrator
- u10 manager/administrator
- u12 manager/administrator
- u13 manager/administrator
- u14 manager/administrator
- u15 manager/administrator

Other areas where we need volunteers:

- Sponsorship manager
- Sunday Café
- Young Leaders co-ordinator to run the volunteer scheme for U14s
- Sunday Registration
- Social Media Manager
- Village Club Liaison Officer
- Former Players Liaison officer
- Assistant Safeguarding Officer

*Thank you to our **sponsors** – Pelly's RJP Solicitors for their sponsorship of this annual review, and to Raja UK for their sponsorship of Raja award scheme.*
