BE PART OF SHROPSHIRE'S MOST SUCCESSFUL HOCKEY CLUB

Telford & Wrekin Hockey Club (formerly Shifnal Hockey Club) was formed in 1895 and is one of the oldest clubs in England and have the England Hockey Clubmark accreditation which demonstrates that the club operates to a set core criteria and has good practices in place to ensure that we can deliver quality hockey in a sustainable and vibrant club environment.

The League season runs from September to April each year, with Summer League friendlies from June to August. The club consists of a men's and ladies section and a thriving junior section with over 150 junior players, girls and boys from 5 to 18 years of age.

We run 6 mens teams and 4 ladies teams and compete in the local Shropshire and Midlands Leagues. We run many junior teams offering competition for all our junior players. We have 400 club members, male & female, boys and girls.

Coaching sessions are run by fully qualified coaches on Monday, Tuesday, Wednesday and Thursday evenings for all our junior and adult members and junior football teams use our facilities on Friday nights. Saturdays and Sundays are fully taken with hockey games and junior tournaments.

We run a 'Back to Hockey' sessions during the year, and we are about to train another 7 coaches to help us deliver 'Walking Hockey' and 'Flyerz Hockey' (hockey for the physically impaired).

Telford & Wrekin Hockey Club had a very successful 2022/23 season with the men's 2nd and 4th XI all gaining promotion. There was further success in the ladies with the 3rd XI also being promoted for the 2nd year in a row. The club can also boast several international players at Masters level and in the last couple of years players have represented their countries in World and European championships. We're very proud to have current GB International David Goodfield come through the junior academy as well as Callum McKenzie (Scotland Snrs), Barney Bithell (England u18s/21s) and Lorna McKenzie (England Snrs) in the last 10 years.

The club has aspirations for the Mens 1st XI to return to National League Hockey where they spent 2x season in 2007/8 & 2008/9 making them the only club to ever achieve this in the history of Shropshire Hockey. The Ladies also have similar ambitions, which would make them the only Shropshire Ladies team to achieve the same feat and would make the Telford & Wrekin one of a handful of clubs in England to boast both Men & Ladies competing in the National League. At Junior level we compete very well in Shropshire but want to increase the coaching to allow us to compete nationally from u10 to u18 competitions, Boys & Girls.

RECENT SUCCESS

FORMER YOUTH SYSTEM PLAYERS

- Current GB & England International David Goodfield
