Notes column shows when some players first appear as officers of the club; CBR refers to C. Brightwen Rowntree and his book; Fixture cards used as primary evidence base for club officers and they include addresses of all officers; ? indicates no documented supporting evidence available but assumptions have been made; The post of Club Captain was introduced in 1996 with Clive Pearce becoming the first incumbent. Italics indicate that assumptions have been made in the absence of documentary evidence (eg. Fixture cards, minutes, newspaper abstracts). The title of Academy Director replaced that of junior organiser in 2005.
