

SUMMER AND WINTER LEAGUE RULES

- ❖ Anyone wishing to compete in the Tayside Dressage Leagues must be a member
- ❖ Leagues are prelim, Novice and Elementary and Medium.
- ❖ Intro is seen as a training exercise
- ❖ Rosettes are awarded to sixth place
- ❖ You can move up a league during each session (e.g. from Prelim to Novice) and you will still retain your points from each League
- ❖ If a horse /rider combination has won a league for two consecutive years, you cannot earn points for that League. You can however compete in the classes but your League points will be HC. This will allow other combinations to be able to aspire to winning one of the leagues
- ❖ Points will be awarded to tenth place
- ❖ One point will be awarded to any horse/rider combination that competes at a show.
- ❖ The points will be awarded as follows:
